

TV Sets Intelligence Service

Part of Consumer Electronics & Display Applications

Detailed data, country analysis and expert insights to guide critical planning in global TV

“ The industry’s reference for TV shipments – used by all Global brands. Written **by** industry insiders **for** industry insiders. ”

Paul Gray
Research Manager

TV Sets Spotlight Service

Part of Consumer Electronics & Display Applications

HOW OMDIA HELPS YOU

- Gain an end-to-end picture of the TV Sets Market
- Forecast developments in downstream demand for production planning
- Identify key strategic opportunities and trends in TV technology, including country-level differences
- Evaluate and optimize product mix, screen sizes and inventory

KEY QUESTIONS ADDRESSED

- What are the regional shipments of TV sets and how do features and sizes differ between them?
- Which brands dominate in which regions; how are their shares developing?
- What is happening to revenues and prices for brands and regions?
- What is the installed base by country, how is it evolving?
- What are the hot features, how are they developing?
- What is happening on UHD, which brands and where?

ABOUT OMDIA

Omdia is a global technology research powerhouse, established following the merger of the research division of Informa Tech (Ovum, Heavy Reading, and Tractica) and the acquired Omdia technology research portfolio*. We combine the expertise of more than 400 analysts across the entire technology spectrum, covering 150 markets. We publish over 3,000 research reports annually, reaching more than 14,000 subscribers, and cover thousands of technology, media, and telecommunications companies.

Our exhaustive intelligence and deep technology expertise enable us to uncover actionable insights that help our customers connect the dots in today's constantly evolving technology environment and empower them to improve their businesses—today and tomorrow.

* The majority of Omdia technology research products and solutions were acquired by Informa in August 2019 and are now part of Omdia.
