

Packaging Machinery Report

Expert insights into the trends, market size, growth and the competitive landscape for the global packaging machinery market.

KEY QUESTIONS ADDRESSED

- What is the size of the packaging machinery market and how will it develop by 2024?
- Who are the leading suppliers for each packaging machinery type in each region?
- Which industry sectors offer the most growth potential and why?
- What impact will the Covid-19 pandemic and current economic climate have on the packaging machinery market?

REPORT DETAILS

Frequency, time period

- 5-year annual forecast (2018 - 2024)
- Base year (2019)
- Top-level historical analysis (2018)
- Publishing in June 2020

Measures

- Revenues
- Units
- Average selling price

Market share analysis

- Total Market
- By Region (Americas, EMEA, Asia)
- By Product Type

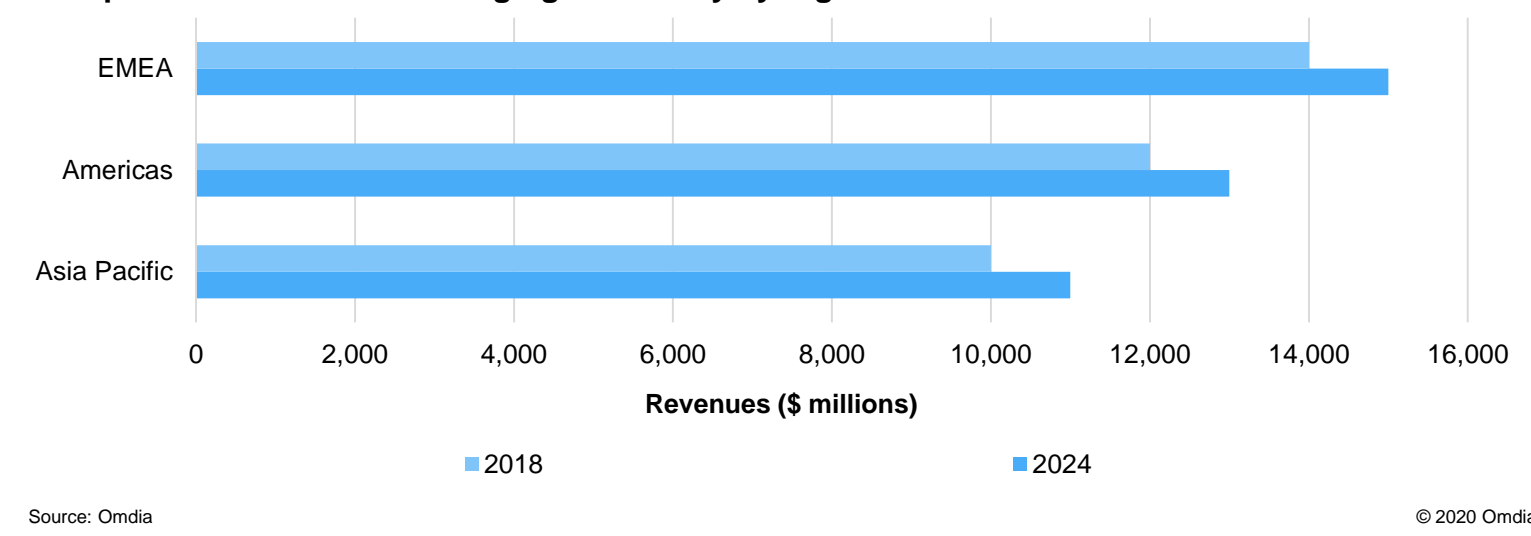

Segmentations covered

- Machine Type (10+ types)
- Industry Sector
- Major Region (Americas, EMEA, Asia)
- Country

Cross Segmentations

- Machine Type by Industry Sector
- Machine Type by Major Region
- Industry Sector by Major Region

Example: The market for Packaging machinery by region: World

Packaging Machinery Report

Packaging Machinery Data Details

Machine Type	EMEA	Americas	APAC
--------------	------	----------	------

Bottling line	Vertical form, fill, and seal	France	Canada	China
Cartoning	Labelling, decorating and coding	Germany	United States	Japan
Case handling	Palletizing	Italy	Rest of Americas	Rest of Asia Pacific
Filling and dosing	Wrapping and bundling	Rest of EMEA		
Horizontal form, fill, and seal	Other			

Industry Sector	Cross Segmentations
-----------------	---------------------

Beverages	Machine Type by Industry Sector Machine Type by Major Region Industry Sector by Major Region
Food	
Household, Industrial & Agricultural Chemicals	
Personal Care, Toiletries & Cosmetics	
Other End-User Sectors

ABOUT OMDIA

Omdia is a global technology research powerhouse, established following the merger of the research division of Informa Tech (Ovum, Heavy Reading, and Tractica) and the acquired Omdia technology research portfolio*. We combine the expertise of more than 400 analysts across the entire technology spectrum, covering 150 markets. We publish over 3,000 research reports annually, reaching more than 14,000 subscribers, and cover thousands of technology, media, and telecommunications companies.

Our exhaustive intelligence and deep technology expertise enable us to uncover actionable insights that help our customers connect the dots in today's constantly evolving technology environment and empower them to improve their businesses—today and tomorrow.

* The majority of Omdia technology research products and solutions were acquired by Informa in August 2019 and are now part of Omdia.
