Games Intelligence Service

Part of the Media & Entertainment Service Area Package
Comprehensive, continuously updated intelligence on games content, distribution, and hardware.

“No other area of media and entertainment can combine the growth and scale of video games. With the space increasingly opening to non-native players, having the right information will prove the critical difference between success and failure.”

Dom Tait
Practice Leader, Games, Music and Audio
Games Intelligence Service

Part of the Media & Entertainment Service Area Package

HOW OMDIA HELPS YOU

• Strategic understanding of the breadth and depth of the global games market
• Timely decision-making around market entry and understanding of emerging games-related commercial opportunities
• Accurate assessment of the competitive landscape
• Improved tactical and strategic planning

KEY QUESTIONS ADDRESSED

• How many PlayStation 5 consoles will be on the market over the next five years?
• How much money is spent on subscriptions to platform services such as Xbox Live Gold?
• Which business models will drive cloud gaming?
• What are the market dynamics in China?
• What are the fastest-growing aspects of global esports?

  Customer Success Manager

96% of our customers rate our service as Excellent or Very Good
Omdia is a global technology research powerhouse, established following the merger of the research division of Informa Tech (Ovum, Heavy Reading, and Tractica) and the acquired Omdia technology research portfolio*. We combine the expertise of more than 400 analysts across the entire technology spectrum, covering 150 markets. We publish over 3,000 research reports annually, reaching more than 14,000 subscribers, and cover thousands of technology, media, and telecommunications companies.

Our exhaustive intelligence and deep technology expertise enable us to uncover actionable insights that help our customers connect the dots in today’s constantly evolving technology environment and empower them to improve their businesses—today and tomorrow.

* The majority of Omdia technology research products and solutions were acquired by Informa in August 2019 and are now part of Omdia.
