Publishes On March 2023

Global Market for Door Automation Equipment & Services, 2018 Revenues

This report is part of Omdia’s comprehensive coverage of the global entrance control equipment market, entrance control and door automation.

Omdia will be publishing its next edition of a report titled *Entrance Control Equipment for Door Automation – 2023*. The report will be developed using a variety of sources, the core of which was composed of primary research interviews. Detailed discussion and analysis supports the market data and forecast information across three hardware types, 13 end-user industries and six geographic regions.

The report provides a clear outlook of market sizes, growth forecasts, market trends, and the competitive landscape of this industry and gives vendors and other stakeholders crucial insight into the opportunities of the market over the forecast period.

ABOUT OMDIA

Omdia is a global technology research powerhouse, established following the merger of the research division of Informa Tech (Ovum, Heavy Reading, and Tractica) and the acquired Omdia technology research portfolio.* We combine the expertise of more than 400 analysts across the entire technology spectrum, covering 150 markets. We publish over 3,000 research reports annually, reaching more than 14,000 subscribers, and cover thousands of technology, media, and telecommunications companies. Our exhaustive intelligence and deep technology expertise enable us to uncover actionable insights that help our customers connect the dots in today's constantly evolving technology environment and empower them to improve their businesses—today and tomorrow.

*The majority of Omdia technology research products and solutions were acquired by Informa in August 2019 and are now part of Omdia.

Table of Contents

Executive Summary

Chapter 1 - Introduction, scope, methodology

- Introduction and scope
- Geographic regions
- Product definitions
- End-user sector definitions
- Forecast method
- Data collection – methods and sources

Chapter 2 – Global market for door automation equipment

- Base year 2021 and forecast
- By product type
- By region

- Trends
 - Construction
 - Economic outlook
 - Mergers and acquisitions
 - Retail
 - Technology
 - Regulations

Chapter 3 – Product / service breakdown

- Single Operator
- Complete Door
- Single Doors
- Service & Maintenance

Chapter 4 – Geographic regions

- Americas
- EMEA
- Asia

Chapter 5 – End User

- Healthcare facilities
- Airport & Metro
- Retail

Chapter 6 – Competitive landscape

- Market shares
