Unified Communications & Collaboration Intelligence Service

Part of the Enterprise IT Market Pillar
Qualitative and quantitative analysis of the UC&C market for service providers and vendors, exploring competitive forces and market dynamics to help both compete strategically and tactically.

“Today’s mobile and geographically dispersed workforce is causing businesses to transform their communication networks. With the proliferation of video and the need for communications flexibility, companies are migrating UC&C to the cloud, and increasingly adopting a platform-based approach.”

Diane Myers
Chief Analyst
Unified Communications & Collaboration Intelligence Service

Part of the Service Provider Enterprise & Wholesale Research Service Area Package

HOW OMDIA HELPS YOU

• Size the market for UC&C and predict future demand
• Identify the emerging trends in team collaboration and how the technology is evolving as a business operations platform
• Understand how CSPs and vendors can stay relevant and grow in a turbulent market

KEY QUESTIONS ADDRESSED

• What are the market sizes and forecasts for workspace technologies including voice, video, UC, conferencing, and team collaboration?
• What is the competitive landscape for enterprise voice, video, and UC equipment and services?
• How is the market for premises-based audio/video solutions evolving to managed services delivered from the cloud? What does this future look like for CSPs?
• As team collaboration gains broader adoption, how does the role of these technologies evolve as business operations platforms?
• What are the emerging trends in collaborative meeting services, and how are market dynamics shaping this rapidly growing segment?

Unified Communications & Collaboration: Deliverables

**MARKET TRACKERS**
- *Quarterly*
  
  Market share, sizing and forecasts for unified communication, voice equipment, SBCs, VoIP gateways, and video conferencing systems.

**SCORECARDS & OMDIA UNIVERSE**
- *Annual*
  
  Ranking and analysis of the top UCaaS and SIP trunking service providers in North America, based on concrete data and metrics.

**MARKET REPORTS**
- *Ongoing*
  
  Data and analyses for UC as a service, SIP trunking, collaborative meeting services, VoIP and UC, managed UC and team collaboration.

**SURVEY REPORT**
- *Annual*
  
  Three enterprise surveys analysis focusing on UC and collaboration and SIP trunking & eSBC strategies, and video conferencing.

**ANALYST INSIGHTS**
- *Ongoing*
  
  Analyst commentary on market shifts, technology and regional developments, vendors, events, and more.

**ANALYST ACCESS**
- *Ongoing*
  
  Prompt responses to urgent and unique questions and quarterly briefings with analysts on research highlights.
Unified Communications & Collaboration: Market Trackers

All market trackers have same frequency and regional coverage
Frequency: Quarterly

Enterprise Unified Communication & Voice Equipment Market Tracker
Forecasts, analysis, and trends for premises-based PBX/KTS systems, IP phones, and unified communication

DETAILS
Measures
• Vendor market shares
• Revenues
• Licenses
• Units

COVERAGE
• PBX (TDM PBX, hybrid PBX, pure IP PBX)
• IP phone (deskphones, softphones)
• Unified communication

Enterprise SBCs and VoIP Gateways Market Tracker
Forecasts, analysis, and trends for enterprise session border controllers (SBCs) and voice over IP (VoIP) gateways by system size

DETAILS
Measures
• Vendor market share
• Revenue
• Sessions
• Ports

COVERAGE
• Enterprise SBCs
• Enterprise VoIP gateways

Regions
• Worldwide
• North America (US and Canada)
• Europe, the Middle East, Africa (EMEA)
• Asia Ocean
• Latin America and Caribbean

Enterprise Telepresence & Video Conferencing Equipment Market Tracker
Forecasts, analysis, and trends for dedicated video conferencing systems

DETAILS
Measures
• Vendor market shares
• Revenues
• Units

COVERAGE
• Infrastructure (MCUs, other)
• Endpoints (Multipurpose room, Desktop, videophones)
• Peripherals (conference cameras)
### Unified Communications & Collaboration: Market Reports

All market reports have the same frequency (unless otherwise noted) and regional coverage.

**Frequency**: Annual

### UC as a Service Market Report

Forecasts, analysis, and trends for the unified communications-as-a-service (UCaaS) market.

**Details**
- Measures
  - Revenue
  - Seats

**Coverage**
- UC-as-a-service

- Latin America and Caribbean
Unified Communications & Collaboration: Market Reports, continued

Collaborative Meeting Services Market Report

Forecasts, analysis, and trends for cloud video conferencing and web conferencing services

DETAILS

Frequency: Biannual

Measures

- Revenues
- Market shares

COVERAGE

- Cloud video and web conferencing services
## Unified Communications & Collaboration: Scorecards & Universe

### SIP Trunking Service Provider Scorecard
Profiles, analyzes, and ranks leading SIP trunking service providers in the US and Canada

**Details**

**Frequency:** Annual

Profiles, analyzes, and ranks the leading SIP trunking service providers in the US and Canada based on measurable data, including installed base of trunks, financial stability, market momentum, service development, and support options.

### UC as a Service (UCaaS) Scorecard - North America
Profiles, analyzes, and ranks leading UCaaS providers in the US and Canada

**Details**

**Frequency:** Annual

Profiles, analyzes, and ranks the leading UCaaS providers in the US and Canada based on measurable data, including installed base of seats, financial stability, market momentum, service development, and support options.

### Omdia Universe: Collaborative Meeting Services
Profiles, analyzes, and ranks leading collaborative meeting services

**Details**

**Frequency:** Annual

Profiles, analyzes, and ranks the leading collaborative meeting services based on measurable data, including customer experience, market sizing and solution capability.
## Unified Communications & Collaboration: Survey Reports

**SIP Trunking & eSBC Strategies Survey Report**

Assesses the plans of enterprises that use SIP trunking services and eSBCs

**DETAILS**

**Frequency:** Annual

Interviews with ~200 North American enterprises about SIP trunking and eSBC buying trends, deployment drivers and models, expenditures, capacity, interconnections, extensions, service providers installed and under evaluation, and more

---

**Unified Comm. (UC) Strategies & Vendor Leadership N.A. Enterprise Survey Report**

Assess the plans of enterprises using UC; includes enterprise ratings of UC vendors

**DETAILS**

**Frequency:** Annual

Interviews with ~175 North American enterprises about UC deployment drivers and barriers, implementations, applications, cloud UC plans, cloud service provider selection criteria, and their ratings of vendors on key selection criteria.
About Omdia’s
Service Provider Enterprise and Wholesale Research

Omdia helps service providers establish a coherent strategy while building, running, and scaling a profitable B2B business. As more businesses choose to run more ICT as managed or cloud-based services, so service providers find themselves competing against and partnering with, an ever more complex ecosystem of vendors and platform providers.

Omdia’s expert team of analysts provides strategic advice based on a robust foundation of market data to help service providers transform how they build, sell, monetize and support new services, from network to cloud, to the digital workplace.

Custom solutions
Omdia’s consulting services offer a true end-to-end service capability across all aspects of your product lifecycle, from concept and product development, to go-to-market and sales effectiveness. Contact us if you have a project that you would like to discuss with a member of the team.
